

\$0 up front, \$59 per month

Normally \$77 per month

MTM800 run out offer only available until
31 December 2010 or while stocks last

Need an extra Zeon Digital two-way radio?

If your two-way radio requirements are expanding, now is the time to act with this MTM800 special run out offer from Motorola.

Until 31 December 2010, you can add the feature-rich MTM800 in vehicle digital two-way radio solution to your existing fleet for as little as \$59 a month with \$0 up front, (MTM800 radio unit usually valued at \$1677.50 RRP).

Continue to benefit from superior voice clarity, GPS tracking capabilities* and no infrastructure set up, or ongoing maintenance costs.

Don't be disappointed, get in while stocks last!

For further information visit www.zeondigital.com.au or phone **1300 936 648**

Terms and Conditions apply: Offer only available through an authorised Zeon Digital dealer until 31 December 2010. Offer not available with any other promotion. Motorola's decision regarding any term or condition shall be final. MTM800 digital two-way mobile radio with one private talk-group and unlimited group & 1-to-1 push-to-talk time included for \$59 inc GST per month. Additional talk groups available for \$3.30 per radio per month. *GPS tracking is available for \$16.50 per radio per month. Network coverage includes the entire Zeon Digital network in one area only - Brisbane, Sydney or Melbourne. Usage charges for telephone interconnect apply. 36 month contract applies, commencing from the date the radio is purchased. The minimum cost is \$59 x 36 months which equals a total minimum network access cost of \$2124 inc GST per radio for the term of the contract. All RRP quoted include GST.
